Sales Points	Access from overseas is excellent. The sea route option takes a mere 30 minutes from Kansai International Airport. If arriving from other cities in Japan through Kobe Airport, the venue is just 8 minutes by Port Liner. This well-experienced facility has hosted numerous international conferences including the World Conference on Disaster Reduction. Conference organizers receive the very best support, services and hospitality. To cover any other requirements, there is an International Exhibition Hall and hotels nearby.						
Other Notes	Above venue costs refer to a full day hire (09:00~21:00) but morning use only (9:00~12:00), afternoon use only (13:00~17:00), or evening use only (18:00~21:00) are priced separately. Hiring the total venue for a full day entitles the Organiser to a specially reduced rate of 1.2 Million Yen.
